NEWS UPDATE

October 19, 2023

Updates on pricing

Certiport is dedicated to helping individuals succeed through certification, and we appreciate your shared commitment to this goal. Our objective has always been to provide best-in-class products and services at reasonable prices. However, rising costs and ever-changing economic factors have resulted in the need for Certiport to make some adjustments, and as such, we will be increasing our prices at the beginning of January 2024. This change will allow us to better serve you and our future customers. Additional information will be shared in the coming months. Please contact your Certiport Territory Manager today to take advantage of our current product offerings.

As always, we appreciate your support and thank you for your commitment to enhancing individual productivity and marketability through our globally recognized certifications. Thank you for your business.

What's new from Certiport?

Certiport resources for educators

The school year is well underway. Whether you're a seasoned Certiport veteran, or brand new to certification, we know that all educators can use resources to make their jobs easier. We're here to help!

We sat down with two members of our Certiport team: Caitlin O'Brien, Head of Candidate Services and Customer Support, and Jason Majors, Director of Global Deployment, and they walked us through a plethora of resources that you can use in your classroom this year to help your certification program thrive.
