## Bringing the fun on the CERTIFIED Podcast

How many times do students walk into your classroom and ask, “Can we do something fun today?” Chances are you hear that often. So why not make your class more fun? Amy Waters shows us how.

She talks about why it’s important to incorporate fun in the classroom, and gives some of her best fun project successes and failures. Plus, you’ll hear some advice for how you can keep your students excited and engaged.

## New Domain Name Whitelisting

Due to Certiport's planned data center transition on January 21st, 2024, it will become impossible to provide a list of IP addresses that must be accessible for an uninterrupted exam experience. As such, we are now requiring the domains listed below to be whitelisted, including a new domain for October that we have listed below.

Please establish domain name whitelisting for the following domains to avoid any interruption in testing:

- [http://\\*.pearson.com](http://*.pearson.com) & [https://\\*.pearson.com](https://*.pearson.com)
