Help students earn college credit

Certifications let students save and earn at the same time

When students earn an industry certification, they're not just earning a credential for their resume. They're also potentially saving money on higher education. It's no secret that pursuing higher education in the United States comes at a high cost to students. Any chance students can get to earn college credit while in high school is a great move. That's where ACE CREDIT comes in.

How can my students get college credit?

Make Coding Come Alive

Get your students excited about the wonderful world of coding. Prepare them to participate in National Coding Week, which starts the third week of September, and show them that coding can be fun!

During our next CERTIFIED Academy: IT webinar, we'll discuss resources to help you teach coding, and how you can make coding accessible to even the most hesitant of students.

Compass Cloud Open Beta Updates

Certiport will be releasing updates to Compass Cloud every two weeks to enhance stability, performance, and the user experience. Please find the latest developments on Compass Cloud and the open beta test below:

- **Maintenance Notice:** On Sept 20 - Sept 22, Compass Cloud will be undergoing scheduled maintenance to improve the platform and will not be accessible. We apologize for any inconvenience this may cause and appreciate your patience as we work to improve the system.
- **Autodesk 2023 - Next Generation Exams Now Available:** Autodesk 2023 - Next Generation exams are now live on Compass Cloud. We are currently working on implementing Autodesk 2021 and 2022 and will provide an update once support for these exams has been released.
- **Compass Cloud User Guide and FAQ:** Check out the comprehensive [User Guide and FAQs](#) for answers to your most common questions and step-by-step instructions on using the Compass Cloud platform effectively.

For more information on these updates or information on the open beta test for Compass Cloud, please visit the webpage [here](#).
