- Based on the Adobe Press series for the Adobe Certified Associate certifications
- Uses closely integrated text, video, and quick assessments, to help students understand and remember new concepts
- Each course includes complete coverage of the ACA exam objectives for that software
- Available for all seven ACA certifications
- Created and presented by leading experts and teachers
- Prepares students to show their mastery of in-demand skills to prospective employers
- Full Instructor Resources available
- Offered through the GMetrix platform

Titles in the Adobe Press series for the Adobe Certified Associate certifications provide introductory-level, foundational learning, directly aligned with the ACA exam objectives. They offer fully multi-modal online learning, combining text, video, and assessment. The material is tightly interwoven among the formats, providing increased comprehension through reinforcement, as well as through the multiple ways of presenting the information. The courseware is written by experienced Adobe Education Leaders and Adobe Certified Instructors. Second edition titles shown throughout are written for the Creative Cloud 2018 exam.
