NEWS UPDATE

January 14, 2021

It's Not Too Late to Join the Month of Microsoft

Month of Microsoft is now in full swing! Month of Microsoft is an immersive online experience, and your chance to get exposed to the power of Microsoft, learn more about Microsoft's portfolio of certification programs, and find out how to empower your students with industry-recognized skills.

In our first webinar, we shared all the details about Microsoft certification. Check out the recording for a deep dive into all things Microsoft with experts from Microsoft and Certiport. Learn about what exams exist today, the best pathway for students to follow, and what changes are coming!

Visit our blog for the recording (link is in the Webinar Topics and Schedule section) and the chance to register for the coming webinars.

IC3 Digital Literacy Full-solution Now Available for GS6

Certiport is happy to announce that the full, Learn, Practice, Certify, Advance pathway for the new [IC3 Digital Literacy Global Standard Six](#), is now available. Included in the full-solution packages are learning modules and materials made by LearnKey, practice tests developed by G-Metrix, and of course, access to all three levels of the newest IC3 Digital Literacy certification exams.

The **Learn, Practice, Certify, Advance** model supports learning and validates an understanding of concepts to ensure learners not only acquire the knowledge, but can apply it. Contact a Certiport Representative today and learn more about how Certiport is helping prepare students for workforce and post-secondary demands with a foundation in IC3 Digital Literacy. These are available whether students are in the classroom or learning remotely.

Resources for You

Watch the Latest Value of Certification Video

The Value of Certification

Certiport feels strongly about the value of certification. We know it positively impacts the lives of students and workers everywhere, and we love to share stories and testimonials from those that have seen and experienced the valuable benefits of certification firsthand.

We have put together a new video that shares testimonials from a wide variety of educators, students and workers. Watch this video to learn more about the value of certification, and share with your students, administrators, colleagues and anyone who may be curious about the value that certification plays in the lives of people from all walks of life.
