Testing season is here!

Learn how to decrease your students' testing anxiety with Damiano Mastandrea

According to a study published in the Journal of the American Medical Association, anxiety is on the rise among adolescents. By 2020, 5.6 million young people in the US had been diagnosed with anxiety. And nothing can trigger anxiety like testing day. Peak certification testing season is fast approaching, so we wanted to empower you with tactics to decrease your students’ testing anxiety.
