## Do you teach accounting or finance?

Over **715,000 job openings are predicted** in the business and finance sphere between now and 2031. With such strong growth (and earning potential), it's no wonder educators want to prepare students for jobs in accounting and finance.

Join us on April 29 at 12 p.m. ET to talk with accounting educators about the skills most in demand in the finance industry, and how to help students get prepared for the workforce.

## Get your students excited about learning

According to a **2023 survey** by the EdWeek Research Center, more than 4 in 10 educators said students are not inspired to do their best in school. To help set your learners up for long-term success, it's crucial to create excitement and engagement in your classroom.

Aaron shares his thoughts on student engagement, as well as how he gets students excited to learn. We dive deeper into his classroom approach, and how he uses relationships to help students see the value in his course, their futures, and industry certification.

# The new CATC Locator is live

---

We are pleased to announce the launch of our new CATC Locator, designed to enhance the visibility and accessibility of our Certiport Authorized Testing Centers (CATCs).

[Show me the new CATC locator](#)

Using the CATC Locator's user friendly interface, test-takers can easily find their nearest testing center and achieve their certification goals with minimal hassle.

## **Are you on the list?**

We encourage all existing CATCs offering public testing to verify their presence on the new locator. Using the new Locator will help attract more candidates to your center and increase your testing volumes. If your CATC is already listed, please ensure that the information is up-to-date and accurate.

## **Not listed yet?**

If your CATC is not yet listed, it's not too late. Sign up and you can offer in-person testing and be added to the CATC Locator. Your center's information will be available for learners looking for testing locations in your area.

**Continued...**

To generate funds for your organization, public testing centers may charge candidates a testing fee. Centers must have all the hardware and software required to take an exam and be able to proctor and provide a distraction-free environment in adherence to [Certiport's exam policies](#).

If you have questions or would like more information, please contact your Certiport Territory Manager.
