Dive into CERTIFIED 2021

How much can technology certification really impact your classroom, your career, and the lives of your students? Join us at CERTIFIED 2021 to find out. CERTIFIED is the only education conference dedicated exclusively to exploring the full promise of certification in the classroom—by providing administrators, teachers, and industry experts with an engaging, energized forum for professional development, sharing their ideas, and experiences. Don't miss this opportunity to listen, learn, and collaborate with a community of educators who share your passion for using certification to improve education and change lives.

See what sessions will be available at this year's event, for learning and fun.
