What's happening with your CERTIFIED community?

Meet our 2026 CERTIFIED Educators of the Year

Congratulations to Ashley Faulkner and Frances Clark of North Carolina, our 2026 CERTIFIED Educators of the Year!

The Certiport CERTIFIED Educator of the Year award recognizes exceptional educators who go above and beyond to help students earn resume-building credentials, highlighting teachers who prepare students for the modern workforce by teaching real-world skills.

Get inspired by Ashley and Frances on our blog!

Who are Ashley and Frances?

Hannah Crepeau: Marketing

On the podcast: Preparing your students to be great interns

Your students excel in the classroom—but will they thrive as interns? Work-based learning experiences offer powerful real-world applications, yet succeeding in a workplace requires a distinct set of skills. Discover practical strategies from Professor Matt Dombrowski to bridge that gap.

Updates for our Microsoft educators

We've crowned the 2026 Microsoft Office Specialist U.S. National Champions

Meet the winners of the 24th annual Certiport 2026 Microsoft Office Specialist U.S. National Championship. This year's event, held in Nashville, TN, drew 140 finalists from thousands of students (ages 13–22) across the U.S. who qualified by passing Microsoft Word, Excel™, or PowerPoint™ certification exams. The competition recognizes outstanding achievement in Microsoft Office, and empowers students to build confidence as they develop essential digital skills.

Are you ready to see who came out on top?

Meet the newest Microsoft certification

Help your students master the fundamentals of Copilot and AI administration with the new Microsoft Certified Fundamentals Copilot & Agent Administration (AB-900) certification.

This exam validates the essential skills needed to support, secure, and administer AI-powered Microsoft 365 environments. It's an ideal starting point for aspiring IT administrators, early-career professionals, business analysts, project managers, and anyone eager to understand how AI, Copilot, and intelligent agents are managed in the workplace.

Exam retirements: Stay in the know

Our certifications ensure your students have validated skills in the latest technologies. This means retiring the older versions of the software and exams and focusing on the newest applications.

Check out our list and corresponding dates of recent and upcoming exam or application support retirements. Make sure to update to newer exams and applications as soon as possible to avoid issues with exam delivery.

Which exams are retiring?
