

This Week, on the Podcast

Break into the World of IT with Shawn Moon

Information technology is a rapidly growing field, but it can be tough for students to master advanced technologies without proper foundational knowledge.

Cont...

Enter Information Technology Specialist certification.

In this episode we sat down with Shawn Moon, Certiport's Program Manager for the IT Specialist certification program to get all the details about this new certification, including what IT topics are covered on the current exams, what exams are coming, and what careers students can pursue with IT Specialist certified skills.
